About the Programme:

The Insolvency and Bankruptcy Code (Amendment) Act, 2026 marks a significant milestone in the evolution of India's Insolvency regime. The Amendments introduce substantial reforms aimed at enhancing the efficiency, predictability and effectiveness of the Insolvency Resolution Process while strengthening creditor confidence and value maximization.

Recognizing the practical implications of these legislative developments, the ICSI Institute of Insolvency Professionals is proposing to organize the Two-Day Technical Capacity Building Programme to equip Insolvency Professionals with a comprehensive understanding of the amended Legal Framework, Emerging Insolvency Mechanisms and Implementation Challenges.
