About the Programme:

The Insolvency and Bankruptcy Code (Amendment) Act, 2026 marks a significant milestone in the evolution of India's Insolvency Regime. The Amendments introduce substantial reforms aimed at enhancing the efficiency, predictability and effectiveness of the Insolvency Resolution Process while strengthening Creditor Confidence and Value Maximization.

Recognizing the practical implications of these legislative developments, the ICSI Institute of Insolvency Professionals is proposing to organize the Two-Day Technical Capacity Building Program to equip Insolvency Professionals with a comprehensive understanding of the amended Legal Framework, Emerging Insolvency Mechanisms and Implementation Challenges.

The programme combines statutory analysis with practical perspectives, enabling participants to confidently navigate the evolving Insolvency Landscape.

Programme Objective:

The programme seeks to enable participants to:

- Understand the legislative intent behind the Insolvency and Bankruptcy Code (Amendment) Act, 2026 and its related Regulations
- Examine the clause-wise Amendments introduced in the Insolvency and Bankruptcy Code, 2016
- Analyze the operational, procedural and interpretative impact of the Amendments and its Regulations on Insolvency Practice
- Explore emerging Insolvency Frameworks including Creditor-initiated Insolvency Resolution, Group Insolvency and Cross-Border Insolvency
- Strengthen practical understanding of documentation, compliance requirements, process management and likely areas of dispute
